The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the County Service Area 44 - Sewer Treatment Project. The entity to receive funding for this project is the County of San Joaquin, 44 North San Joaquin Street Sixth Floor, Suite 627, Stockton, CA 95202.

The funding would be for the consolidation of two aging sewer treatment facilities serving County Service Area (CSA) 44 Zones E (Castello Estates) and G (Linne Estates) into a single, modern, and more efficient treatment plant. This project is an appropriate use of taxpayer funds as it will address rising operational costs, aging equipment, and increasingly stringent regulatory requirements, while ensuring long-term reliability and environmental compliance.

This project has a federal nexus because it is for the purposes authorized in the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Adam Gary
Member of Congress
