The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

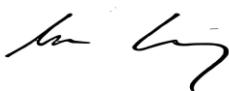

I am requesting funding for the City of Livingston Fire Engine Acquisition Project. The entity to receive funding for this project is the City of Livingston, located at 1416 C St, Livingston, CA 95334.

The funding would be for the acquisition of the Spartan Gladiator MFD Type 1 Pumper to strengthen Livingston's ability to respond to structure fires, vehicle accidents, medical emergencies, wildfire incidents, and federally declared disasters. This project is an appropriate use of taxpayer funds as it will benefit public safety resilience, emergency readiness, and community disaster preparedness.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Adam Gray
Member of Congress
