The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

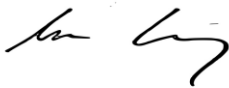

I am requesting funding for the Interstate 5/Sperry Avenue Interchange Phase I Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Patterson, located at 1 Plaza Circle, Patterson, CA, 95363.

The funding would be used to widen Sperry Avenue to increase roadway capacity, reconstruct and realign on-and-off ramps, the installation of signalized ramp intersections, to widen the Sperry Avenue bridge over the California Aqueduct from two lanes to four lanes, and associate roadways, drainage, and safety improvements. This project is an appropriate use of taxpayer funds as it will benefit a broad range of users, including residents, commuters, agricultural producers, freight operators, and businesses that rely on efficient transportation access.

The project has a federal nexus because the funding provided is for the purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Adam Gray
Member of Congress
