The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

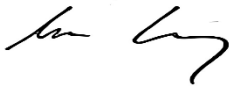

I am requesting funding for the Mendota Community Center Project. The entity to receive funding for this project is The City of Mendota, located at 643 Quince St. Mendota, CA 93640.

The funding would be for the development of a centralized, multi-purpose facility that serves all residents. This project is an appropriate use of taxpayer funds because it is a high-impact, shovel-ready investment in one of the most underserved communities in California's Central Valley.

This project has a federal nexus because it is for the purposes authorized in the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Adam Gary
Member of Congress
