The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

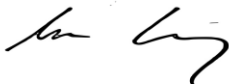

I am requesting funding for the Corral Hollow Bridge Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the San Joaquin County Department of Public Works, located at 1810 E Hazelton Ave, Stockton, CA 95205.

The funding would be used to replace and raise the Corral Hollow Road Bridge over Corral Hollow Creek, which has experienced repeated closures due to mudslides, flooding, and sediment buildup. This project is an appropriate use of taxpayer funds as it will enhance public safety, support goods movement, and improve access to critical national infrastructure.

The project has a federal nexus because the funding provided is for the purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Adam Gray  
Member of Congress
